PHONE CALL SCRIPT

Hello, my name is [Constituent Name], and I am a resident of [Name of County] county [District #] and a member of [Community Coalition]. I am reaching out as a concerned constituent to encourage you to [insert policy recommendation]. Throughout our county, many residents experience [insert public health issue]. It is critical that we address this issue to eliminate the health inequities in our community.

In [County Name] County, residents who experience [public health issue], struggle with [repercussions from public health issues].

Thank you for your time and attention to this important matter. I would be glad to further discuss potential policy solutions to a problem that affects so many in [Name of County].

Sincerely,

[Constituent Name]

**Be sure to leave your name, county/district/neighborhood and phone number.*
