TASKFORCE GUIDING PRINCIPLES				
Consensus	Inclusivity	Impact	Strategic Alignment	Respect

MEETING OBJECTIVES
Participants will understand the processes and goals of the Taskforce, the final product of the Taskforce, and their role in serving on the Taskforce.
Participants will understand the history of maternal and infant health in rural South Carolina, as context as to how we got where we are now.
Participants will understand the impact of community culture and barriers to access timely and appropriate care for mothers and infants in rural South Carolina.
Participants will have an overview of the current maternal and infant data landscape in South Carolina.
Participants will become familiar with the process of building recommendations.
