

Social Isolation in Older Adults

South Carolina Institute of
Medicine & Public Health

Welcome

TASKFORCE MEMBERS!

Presentations

- I. Faith Communities & Social Isolation
- II. Technology & Social Isolation Case Studies Presentation
- III. Socially Connected Communities

Recommendation Development

- I. Small Group Discussion 1
- II. Small Group Discussion 2

Small Group Discussion 1

11:00 – 11:45am

Please use this time to draft new recommendations with your table based on the presentations from today.

New Recommendation

How will this recommendation impact social isolation in older adults?

Who are potential leads and champions for this recommendation?

What resources are needed to implement this recommendation? (funds, partnerships, full-time employees, etc.)

What is a realistic timeline for implementation of this recommendation?

Break & Lunch

Small Group Discussion 2

12:10 – 12:55pm

Please use this time to build additional context around recommendations based on the theme at your table.

Discussion questions are listed under the recommendation and context that has been written to date.
